“UCF Downtown will provide students with real-world learning experiences while creating more opportunities that lift lives and livelihoods across our community.

— Dale Whittaker, UCF President

LIVE. LEARN. PLAY. ORLANDO.

UCF DOWNTOWN IS IN THE HEART OF ORLANDO — the hub for arts, culture, nightlife and business. It's where you can walk from class to an Orlando City soccer game. Or catch a show at the Dr. Phillips Center for the Performing Arts after work. It's your opportunity to find adventure, where there's always something new. The city is your campus, and everything you need is just outside your door.

The new Dr. Phillips Academic Commons features **FOUR STORIES OF ACTIVE LEARNING SPACES**, including classrooms, the downtown library, study and tutor spaces, and academic offices.

UnionWest at Creative Village is a 15-story student housing building that includes more than **600 BEDS** with views overlooking downtown Orlando and Creative Village's central park, where outdoor concerts and events will take place.

Direct shuttles going to and from main campus plus free access to rapid bus transit systems and SunRail creates options for getting to class. **THREE PARKING GARAGES** will serve the campus.

A **RECREATION CENTER** will be just a few steps away from campus support services, such as advising and financial aid.

Several **RESTAURANTS AND RETAIL STORES** will be on campus in addition to Valencia College's culinary arts and hospitality school.

UCF Police will have **24/7 PATROLS** with officers dedicated to the downtown campus, which will also have security cameras, blue light phones and secured access entry into buildings.
