Creating Partnerships

CYNTHIA SCHMIDT, J.D., '87 has had a dynamic career. As a legal studies graduate, she served as an Orlando assistant public defender for 10 years and a criminal defense attorney for four years before becoming a Boone High School teacher. Eventually, she made her way back to UCF—this time as a founding director for the Center for Law and Policy.

“ Every job I ever got is because I knew somebody. Let’s get the students to where they’ll know somebody.”
