

Dear Future Knight:

Congratulations on your merit scholarship offer to attend the University of Central Florida!

My name is Hayley Lynch from Winter Park, Florida, and I'm a junior studying Health Sciences. I learned that you've been invited to UCF's Scholars Day – a unique and exclusive event designed specifically for our highest academic achievers. And because Scholars Day was so influential in my decision to become a UCF Knight, I thought I'd write to encourage you to come too.

Right now, I work as a student assistant with the Office of Undergraduate Admissions, but just a few years ago I was in your shoes. I wasn't always sold on UCF, but when I got invited to Scholars Day, I figured I'd give it a shot. If I could gain a better understanding about life at UCF, maybe my college choice would become clearer. The event ended up going beyond any other college visit I experienced.

I became immersed in every facet of UCF at Scholars Day. I attended presentations about different academic programs, explored [housing communities](#), visited the [Burnett Honors College](#), and even met with current students. However, my favorite part of the day was the First Class Experience – an hour-long lecture given by a professor related to my major. The event opened my eyes to what UCF could offer me, and Scholars Day truly solidified my college decision.

I left Scholars Day assured that UCF was right for me. I invite you to take advantage of this experience so you too can see all the opportunities available at UCF. Please visit our website for additional [information](#) and to [register](#) for the event.

Congratulations again, and #GoKnights!

Hayley
