

Dear Colleague:

Greetings from the University of Central Florida!

Every month, you will be receiving updates from me regarding UCF admission information that may be helpful to you and your students. Until then, please feel free to browse our [website](#) and explore our [2020-21 Digital Viewbook](#).

- Both our [institutional application and the Common Application](#) for Summer and Fall 2021 will be available in mid-August. We will continue to operate on rolling admission and will begin reviewing FTIC applications for both terms beginning in September.
- In order to streamline our admission review process, we now require FTIC applicants to self-report their high school courses and grades by completing our [Self Provided Academic Record for Knights \(SPARK\) Form](#). We will no longer require high school transcripts until graduation.
- Just as we have with the SAT, starting this academic year, we will be superscoring the four sub-tests of the ACT.
- Students who qualify for our [UCF Top 10 Knights](#) program must complete their applications by January 15, 2021.

Thank you again for your support of UCF. We will be providing more information on all of our admission updates at this year's virtual [SUS Directors Tour](#). Don't forget to sign up!

And while it may look different, we are excited to be working with you and your students again this year. Stay safe, stay healthy, and Charge On!
