

Dear UCF Supporter,

Although it has been difficult making the decision to cancel on-campus programs at this time, it's a necessary precaution to keep your students and our campus community safe from the risks of COVID-19. And while in-person events are suspended until further notice, your students and their families can still see what life as a Knight can and will be.

Deciding on the right college comes with a lot of questions, which is why we've created an entire [website](#) dedicated to providing your students with the answers they seek. [Here](#) your students can expect to find information from our top administrators on academic programs, opportunities for success, financial aid and more. They can also watch [in-depth campus tour videos](#) to become familiar with UCF.

We know this is a stressful time for everyone, but we urge your students to use these tools intended to help make an important decision about their futures. If you or your students have additional questions, our admissions team is still available to assist via email, social media and phone. Email us at admission@ucf.edu, direct message us through our social media channels below or call us at 407-823-3000 for more information.

We look forward to welcoming your students to the UCF Knight family!
