1 ADMISSION
You must enroll for the term indicated on your admission letter. If you do not register for your original admission term, your classes will be dropped for subsequent terms and your admission revoked. If you wish to change your term of application, submit a Term Change Request Form or a new application through your Future Knight Portal.

Check your admission letter for the accuracy of your name, entrance term, address and major. Address, telephone and email changes can be made through your Future Knight Portal. All other changes must be submitted in writing to the Office of Undergraduate Admissions.

2 MYUCF PORTAL
You must create an account to access the myUCF Portal. myUCF is where you will register for classes and complete other necessary steps to enroll at UCF.

Once you have your NID, return to the login page to sign in. You should remember and protect your NID and NID password as you would a social security number.
