

## GRANDPARENT WAIVER INSTRUCTIONS & APPLICATION 2025-2026

The state university Grandparent Waiver was created by the Florida Legislature to allow an out-of-state student with a grandparent who is a legal Florida resident to attend a state university and have out-of-state fees waived. It is the **student's responsibility** to apply for this waiver and submit all necessary documentation in accordance with university deadlines. Waivers are limited in number by law and will be granted on a first-come, first-served basis. First-come first-served order is based upon a complete application for the waiver and to UCF as well as meeting all the pre-enrollment requirements for the waiver.

**Do not submit this document until you have applied for admission to UCF, paid the application fee or requested an application fee waiver, and submitted your SPARK Form and official SAT, ACT, or CLT scores to the UCF Office of Undergraduate Admissions. This document must be completed either by hand or electronically, then scanned & emailed to: [debra.reynolds@ucf.edu](mailto:debra.reynolds@ucf.edu)**
