

## VISITOR PARKING

Visitors must purchase a daily or hourly parking permit, then park in areas designated for students or visitors. Payment must be made prior to parking.

### VIRTUAL DAILY PERMIT

The daily parking fee is \$5. After 5:30 p.m. the fee is \$3. Daily parking permits can be purchased at [parking.ucf.edu](https://parking.ucf.edu) or in the **UCF Mobile App**, which uses the vehicle's license

plate as a virtual daily permit. Daily permits can also be obtained at the Visitor and Parking Information Center, Garage B office, or daily-permit dispensers located in many student parking facilities. **Daily permits are only valid in unreserved garages and parking lots with a green "D" sign.**

### HOURLY OPTIONS

For short-term parking, options include 1- or 2-hour timed spaces at the Visitor Center (lot B6) and

meter spaces located throughout campus. Metered spaces use the **Passport Parking app** instead of coins. Smartphone users can download the app or go to [ppprk.com](https://ppprk.com) to create an account. If you do not have a smartphone, nearby signage displays a phone number to contact.

### NOSE-IN PARKING

All vehicles on campus must park nose-in and plate-out. **No back-in or pull-through parking is allowed.**

PARKING AND TRANSPORTATION SERVICES

**PARKING AND TRANSPORTATION SERVICES** is responsible for providing and maintaining all parking facilities and transportation services on campus. There are more than 22,000 parking spaces, 10 parking garages and 35 surface lots of various sizes and configurations. Our transportation services include a fleet of 40 shuttle buses serving 22 off-campus student residential communities, Central Florida Research Park and the UCF campus community.

Parking Services also offers other services, including vehicle jump-starts, and temporary and visitor parking permits. Students, faculty and staff may purchase parking permits online at [parking.ucf.edu](https://parking.ucf.edu).

INFORMATION AND POINTERS:

- **ARRIVE EARLY:** The most convenient parking spaces fill first.
- **CARPPOOL:** It saves gas and improves parking availability on campus.
- **DEAD BATTERY:** Call 407-823-5555 for assistance.
- **VISITORS:** Purchase a daily or hourly permit before parking in student lots and garages. Virtual Daily Permits are available in the **UCF Mobile app** and at [parking.ucf.edu](https://parking.ucf.edu). Daily permits can also be obtained at the **Visitor and Parking Information Center** or permit dispensers located in all student parking facilities. For short-term parking up to 2 hours, metered spaces use the Passport Parking app. Do not park in 24-hour reserved spaces.
- **PARK OUT/WALK IN:** It may be easier and less time consuming to park in an outer lot and walk in.
- **PARKING CITATIONS:** May be issued 24/7. Fines may be paid online. Citation appeals must be made online at [parking.ucf.edu](https://parking.ucf.edu).
- **EV STATIONS:** There are five locations on campus to charge electric vehicles. Vehicles parked in EV stations must be plugged in for charge mode, charge for no more than four hours and display a valid UCF parking permit or day pass.
