

## UCF Downtown - Academic Programs Recommendation

The UCF Downtown Steering Committee recommends the following academic programs be approved by the Leadership Team for relocation to the UCF Downtown campus. The downtown learning environment will substantially enhance the educational experience for students and faculty in these academic programs in addition to creating a lasting positive impact on the surrounding community. The phasing and timeline for the relocation of these programs may vary based on funding, and could later include new degree tracks and programs that align with these academic units.

### College of Arts and Humanities
