THE MOST Unique EVENT SPACE IN ORLANDO

THERE'S A LOT OF HISTORY HERE

Since 1938, the Ace has served as the place where the worlds of motoring and music come together. Ace Cafe has inspired motion pictures, television shows, countless books, and a community of enthusiasts with a passion for cars, motorcycles, and rock n' roll.

Ace London was originally an open-all-night truck stop. By the 1950's it had evolved into the premier cafe hangout for motorcycle riding teens (cafe racers) to grab a bite to eat and listen to the new jukebox stocked with American rock 'n roll records. Those teens would later be labeled “Rockers”.

Today, the Ace London is still a beacon to car enthusiasts, motorcyclists and guests worldwide hosting over 400 events each year!

The Ace Cafe Orlando captures that same passion and tradition of the Historic Ace in London.

THE FIRST ACE CAFE IN THE USA

Located in Downtown Orlando in a totally renovated 100-year old building, stationed on a historic 3-acre site. The Ace comes complete with two floors, 2 kitchens, a full-size stage, multiple bars, a wrap-around back porch, a huge back yard, and plenty of parking!
