## Parents must complete the information below:

Please submit the IRS 2018 Wage and Income Transcript for each parent listed on the verification worksheet along with this form. To obtain this transcript, you may contact the IRS at 1-800-908-9946 or go to www.irs.gov/individuals/tax-return-transcript-types-and-ways-to-order-them to request it.

This form will not be accepted without the Wage and Income transcript, unless an explanation is provided. **W-2 forms are not a valid replacement for the Wage and Income Transcript** 

## Possible reasons Student Financial Assistance is requesting your IRS Wage and Income transcript:

- You, the parent(s), reported income from work in 2018 but not all the W-2's were provided. This would include stepparent, if you are remarried.
- You, the parent, filed your 2018 tax return as married filing jointly, but you only listed one parent on the FAFSA and/or verification worksheet, therefore, the income reported on the 2018 tax return, line 1, must be separated.
- The sum of the all the income reported on the parent(s) W-2's is not equal to the amount reported on the 2018
  parent(s) tax return, line 1.
- Other reason(s) not listed above.

If your 2018 IRS Wage and Income Transcript is not available or does not report all the income you earned, please explain the source and amount of your income below. If you, or your spouse, if applicable, did not have any income in 2018, write in zero (0).

If income was reported in error on the 2020-2021 FAFSA or the verification worksheet, please provide an explanation of the error.
