WELCOME

It is my honor and pleasure to introduce you to the University of Central Florida (UCF). At UCF, we are energetic. We are bold. We are big. Our size allows us to lead innovating change, and transform more lives. Our unique educational model that integrates strong academics with authentic learning opportunities is extremely well suited to meet the evolving needs of today's student and the world in which we live. Undergraduate transfer students are supported throughout their UCF Online academic careers by a Success Coach, from admission through graduation. UCF Online programs are designed and taught by the same faculty who teach classes on our campuses. UCF is committed to this model, and our students benefit from it.

UCF Criminal Justice undergraduate programs have articulated discipline-specific knowledge, skills, behavior and values outcomes; critical thinking outcomes; communication outcomes; and assessment of criminal justice outcomes.

Our students transition seamlessly from their classes to applied work environments from experiences gained at UCF, and begin making big impacts. Our faculty, staff, students, alumni, and partners are committed to transforming Criminal Justice education to take full advantage of meaningful learning opportunities gained from earning a UCF Bachelor of Arts or Bachelor of Science in Criminal Justice degree. We welcome you to join us as we unleash the potential our students, our communities, and the world.

Best regards,
Catherine Kaukinen, Professor
Department Chair
