**OUR TALENT DRIVES  
YOUR SUCCESS**

TALENT RECRUITING

At UCF, we don't just educate students – we prepare them to lead, innovate and excel. By partnering with us and tapping into our emerging talent, your company gains access to a highly skilled and ambitious pipeline of future professionals prepared to make an impact from day one.

# WHY RECRUIT, TRAIN AND HIRE UCF STUDENTS?

### ACCESS TO ONE OF THE NATION'S LARGEST TALENT POOLS

With 70,000 students and a vast alumni network, UCF is a top producer of workforce-ready graduates.

#### Internship and Career Expo

Our biannual signature event serves as your one-stop shop for recruiting internship and full-time talent, attracting an average of 4,000 students and alumni.

### INCREASE YOUR BRAND VISIBILITY

When you show up on our campus as a guest speaker, sponsor or mentor, you do more than raise brand awareness. You build trust, visibility and influence.

#### Employer Sponsorship Program

From top placement at our Career Expos and Instagram takeovers to having your logo prominent on our website, event shirts, department monitors and Expo materials, our sponsor levels let you choose the best way to boost your visibility on campus.

### BUILD A SKILLED, FUTURE-READY WORKFORCE

Our programs are advised by a strong roster of industry experts, ensuring our graduates are trained in the latest technologies, methodologies and best practices to excel in today's workforce.

#### Industry Days

Get face time with students aligned with your industry by meeting one-on-one for conversations, resume reviews and mock interviews.

### INFUSE INNOVATION AND NEW IDEAS

Students bring fresh energy and creativity to problem-solving.

#### Handshake

Whether you're hiring for full-time, part-time, internship, fellowship or volunteer roles, you can promote your job postings on our recruiting website — and use it to set up on-campus interviews, host virtual career chats and register for career events.

### DRIVE COMMUNITY AND ECONOMIC GROWTH

UCF graduates generate billions of dollars in added income for Florida's economy.

#### Advisory Boards

Volunteer to ensure the future workforce graduates with the mindset and skills needed to succeed.

### REDUCE HIRING COSTS — AND BOOST RETENTION

Hiring directly from UCF means you're getting pre-vetted, eager candidates who have already demonstrated their skills through coursework, research and internships.

#### Employer Takeover Day

For one day each year, Pegasus-level Employee Sponsors are invited to plan an all-day, customized recruitment and branding event to highlight your company.

**Power Your Workforce with UCF Talent:** The bottom line? When you recruit, train and hire UCF students, you're not just filling open roles. You're investing in the future of your company, your industry and the next generation of leaders that will drive your company's — and our nation's — success.

## PREPARE TO LAUNCH

At UCF, **we harness the power of people and ideas through dynamic collaborations with industry, community and public sector organizations.** The UCF Partnerships team serves as the “front door” to the university, acting as a corporate concierge to connect business needs with curated experts and departments across campus.

UCF is an academic, partnership and research leader in engineering and computer science, optics and lasers, modeling and simulation, hospitality, healthcare and video game design. Our objective is to forge partnerships that advance experiential learning, promote talent development, drive innovative research and deliver mutually beneficial outcomes.

## FIVE AREAS OF FOCUS

As Florida’s premier engineering and technology university, we are actively investing in what we were founded to do and what we do best. UCF draws on the strength of interdisciplinary teams from 13 distinct colleges to work together to solve societal challenges and develop the next generation of solutions.

**SPACE TECHNOLOGIES  
AND SYSTEMS**

**IMMERSIVE EXPERIENCES**

**HEALTH AND HUMAN  
PERFORMANCE**

**ENERGY AND  
SUSTAINABILITY**

**TRANSFORMATIVE  
TECHNOLOGIES AND  
NATIONAL SECURITY**

As valued partners, we will advance experiential learning, promote talent development, drive innovative research and deliver mutually beneficial outcomes.
